

Faculty Name	GANESH KATTEPUR	
Designation	PROFESSOR	
Educational Qualification	B.Arch, MBA	
Experience in Years	41 Years	
Area of Interest	Area of Interest -Sustainable Building construction, Climate responsive design	

Awards:

1. Felicitation on Teachers' Day (05-09-1996) by Indian Institute of Architects, Karnataka.
2. Felicitation on Teachers' Day (05-09-2006) by Practicing Architects Association, Karnataka.
3. Life Time Achievement Award for Contribution to Academics and Profession, by Council of Architecture New Delhi, On 06-04-2012

Publications-International:

1. **Design methodology-teaching and evaluation methods-** (Seminar on Architectural Education at Manipal April'90, 'Architects India' – Journal, Jan-Feb 1991 and 'Srilanka Institute of Architects'- Journal, June'92).
2. **Masonry Innovations and Architecture in Transition-** (Oct 11-13 2000, 6th International Seminar on Structural Masonry, at I.I.Sc, B'lore and Bulletin of Association of Consulting Civil Engineers-April-June 2001).
3. **Stabilized Mud Blocks in Architectural Design Process**, (22 to 25 Aug 2007, International Symposium on Earthen Structures, at Indian Institute of Science, Bangalore).
4. **MOTIVATION is the magic key behind MAKING A DIFFERENCE**, International Conference On operational excellence for global competitiveness (ICOEGC-2011),03Feb2011, R V College of Engineering, Bangalore – 560 059.
5. **Conquering Change for Excellence in Architectural Design Education** (First International Congress, Architectural Design, Teaching and Research), 2-7 May 2011, Bari, Italy.

Publications-National:

1. **Architectural responses to innovative Technology**-Feb`92. (Seminar on Low cost housing organized by Rotary - Indiranagar and Journal of the Indian Institute of Architects-Nov`92).
2. **Hurdles in the implementation of alternate bldg. Systems**-June`92. (Seminar on 'Achievements and new trends in Engg Construction' on June 20, 1992, organized by PWD, Govt of Karnataka).
3. **Recent architectural trends in Karnataka** - Dec`92. (For Karnataka Gazetteer, Decennial supplement).
4. **Contextual energies Conservation** - Feb`93. (Seminar on Energy efficient buildings, IISc, Bangalore).
5. **Architectural responses in search of identity** - Oct`93. ('Architects India' Journal, Jul-Aug`93).
6. **Vastu-Rules or Sastras**-A rational response - Oct`94. ('Architects India' Journal, Sept-Oct 1994).
7. **To believe or not to believe** - Oct`95. ('Indian Architect and Builder' October 1995).
8. **Architecture Yesterday, Today and Tomorrow** -April`96. (For Karnataka Gazetteer in Kannada).
9. **Efficiency of Embodied Energy in Buildings** Oct`96. ('Indian Architect and Builder' Oct`96).
10. **Energy efficient buildings** - Mar`97. (Seminar on 'Energy conscious architecture', organized by the Indian Institute of Architects, Aurangabad Centre, 23 March`97).
11. **Theories and isms confronting an urban Infidel** - Sept`97. ('Builders and Developers World', Sept 1997).
12. **Architecture of the quarter century-A look back** - Aug`98. ('Shoodra', Kan. Magazine in art and culture 2000).
13. **Mirror on the threshold of the millennium** - Nov`98. ('Seminar on Creative architecture in Asia' ACCE).
14. **Sustainable Energy Efficiency Through Alternate Systems**- (Dec22-23 2001, XVIII National Convention of Indian Institute of Architects at Aurangabad, as Invited Speaker).
15. **Appropriate Roofing Alternatives and Their Relevance**- (16-18 Jan2002, National Workshop on Alternate Building Methods, Indian Institute of Science, Bangalore).
16. **Conflicts, Confusions and Compromises in the Pre Design Phases**, Dec 2002. (Proceedings/Souvenir, XIX National Convention of IIA).
17. **The Progress of Architecture and Building Art in Bangalore**, (Kan, Bangalore Darshana, April 2004).

18. **Embodied Energy Efficiency in Buildings through Alternative Building Systems**, (12th Maharashtra Chapter Convention of IIA, on 10-11022006, at Matheran).
19. **Crucial Roles of Stake Holders in the Habitat Scenario**, (Karnataka Chapter Convention of IIA, on 18-19032006, at Bangalore).
20. **Design and Teaching Methodologies in the Changing Behavioral Contexts**, (Teachers' Training Workshop at RV School of Architecture, Bangalore, 28-03-2006)
21. **Interaction Processes between Institutions and the Profession**, (06-05-2006, Seminar on Academic-Profession Interaction at BLDEA's College, Bijapur)
22. **Sustainable Architecture and embodied Energy applications**, (Workshop at Sinhgad College of Architecture, Pune, 29-07-2006).
23. **Sustainable Alternative Building Systems in Changing Contexts**, (6-9-06 National Seminar on Alternative Construction materials and Technologies for Sustainable Development, RVCE, B'lore,).
24. **Interdisciplinary Role of Architects and other stakeholders in Society**, (18th Commonwealth Association Conference 2006, Dhaka, Bangladesh, published in April 2007).
25. **Conserving Embodied Energy in Habitats for Sustainability**, (Jan 29-31, 2009 11th international conference on humane habitat, Rizvi College of Architecture, Mumbai).
26. **Conquering the Change Challenges in Architectural Education**, (National Workshop on New Trends in Architecture education, 8 & 9th Jan 2010, Smt. Manoramabai Mundle College of Architecture, Nagpur)
27. **Embodied energy conservation through alternative sustainable building systems**, (International Conference on Urbanism and Green Architecture, 30-31 Oct 2010, National Institute of Technology, Hamirpur, Himachal Pradesh).
28. **Embodied energy in Buildings**, (Research Bulletin, volume 19, No2, ISSN: 0972-6985 December 2010, Published by National Institute of Technology, Surathkal).
29. **Technological Responses for Sustainable Alternative Construction Systems**, 8th All India Peoples' Technology Congress, Forum of Scientists, Engineers & Technologists (FOSET), 12-02-2011, at Science City, Kolkata.
30. **Sustainability in Architecture** (Key Note Speaker at International Conference on Convergence of Science, Engineering and management at DSCE, Bangalore), on 26th Sept 2013.
31. **An Experience in Pursuit of Sustainable Architecture** (Conference on Sustainable Technologies in Application) held at DSCE, Bangalore on 25th October 2013.
32. **Low Embodied Energy Options from Technological Alternatives**, National Conference on emerging Trends in Architecture & Allied Fields, 27 & 28 February, 2014 at Sinhgad College of Architecture, Pune.
