

Faculty Name	MANASA. V. ANAND	
Designation	ASSISTANT PROFESSOR	
Educational Qualification	M. Tech (Chemical Engineering) B.E. (Chemical Engineering)	
Experience in Years	2.5 years	
Area of Interest	Chemical Engineering	
Email Id	memanu2007@rediffmail.com	

International/National Journal Publications :

1. H. N. Madhu, **M. V Anand**, G. Subraminya., P. R. Jain., “Saccharification of lignocellulosic biomass from phoma exigua and ethanol production from *Saccharomyces cerevisiae* using cost effective fabricated lab scale” International Journal of Pharma and Bio Sciences, ISSN 0975-6299. 2016.
2. M. V. Anand., “Development of biohydrogen dependent fuel cell using microalgae” published in the proceedings: A compendium on engineering students project on Biofuels under student project programme of KSCST. August 2012
