Current Journals

The Library receives 204 periodicals in hard copy. The following link given below contains list of journal titles arranged as per subject wise. Electronic Journals on subscription at the DSCE Library are listed separately.

Introduction

This is the revised and updated Catalogue of Current Periodicals being received in the DSCE Library during the year 2017.

The titles of the periodical have been arranged as per the subject wise. Each entry of the title contains the information about the publisher, frequency, price etc.

We hope that the readers will find this catalogue useful in using the current periodicals collection.

Subscribed issue details also available in the Web OPAC search.
