In first session of the seminar Sri. Francis Jayakanth delivered a lecture on 'E-Prints over View/Installation and customization'. Some of the important deliberations of his Presentations are, Institutional Repository Software- Features and Functionalities

-Key component of an IR is the repository management software- Be press IR, CDSware

-CERN Document Server Software

- DSpace & GNU E-Prints -ETD-db

Registry of open Access Repositories (ROAR)

Repository Software Systems: Key Features and Functionalities

-Specific features and functionalities

-GNU EPrints Features

-Hardware requirements for GNU E-Prints

-Technologies Used By GNU E-Prints

-Core Features of GNU E-prints

-GNU E-Prints Version 3

-Repository Walkthrough

-Exporting Search results as RSS Feeds

-Registered Users Facilities, Managing a Deposits, Document Upload, Metadata

-Entry, Limitations of GNU E-Prints.

- The session was started with RFID product presentation, implementation by Mr. Sri. Ram of Libsys Corporation, New Delhi and Engineering e-resources-

Product presentation by Sri. Ravishankar of informatics India, Bangalore.

- There was also a PPT presentation by Sri. J. C. David & Sri. T. M. Devendrappa On over view of DSCE Library.

-Valedictory Function

Dr. A. Sreenivasan & Dr. Ram Prasad, PG Directors were the Valedictory guests

And they shared their experiences of library use and importance of adapting Technologies to manage libraries effectively in their address.

Organizing Secretary

International Conference on Convergence of Science, Engineering & Management in Education & Research 2013(ICCSEM)

DSCE library conducted the international Conference on 11th and 12th September 2013.

Topic: Library and Information Science Management

Sub Themes:

1. Role of E-Resources in Academic Libraries
2. Knowledge Management
3. Application of Total Quality Management in Libraries
4. Management of E-Resources
5. RFID Technology in Libraries
6. Best practices in library services

Guest & Key Note Speaker:

Dr (Mrs.) Shalini R.Urs

Professor, DOS in Library and Information Science University of Mysore & Executive Director, ISIM, Mysore

Session Chairs:

Dr.(Mrs.)Adithya Kumari H

Associate Professor, DOS in Library and Information Science, University of Mysore, Mysore.

Dr.M.Chandrashekar

Professor, DOS in Library and Information Science, University of Mysore, Mysore.

Dr.C.P.Ramashesh

University Librarian, University of Mysore, Mysore.

Mr.V.Kalyan

Former Manager of BEL, Bangalore

Mr.J.C David,

Chief Librarian, DSCE, Bangalore.

Mr.Anand T Byrappa

Global Leader, Knowledge Centre, GE, Bangalore.

200 abstracts received. Called 90 full text papers. 45 papers shortlisted for presentation in the two days seminar.

Dr. Karibasappa, Principal Dayandanda Sagar College of Engineering presided the valedictory function and **Mr.Anand T Byrappa** Global Leader, Knowledge Centre, GE, Bangalore was the chief guest of the evening.
