Sub: ISSUE of Books & Note Books, Online Classes – Reg.

Dear Parent,

After the UNLOCK – 1 situation, the number of daily infected cases is found increasing. But the redeeming factor is that the number of cases recovered is also showing a many fold increase. Increase in the number of infected cases indicates that people are letting down their guard by frequenting restaurants, crowded places etc., Recently there is a news going around that many students of Delhi Public School, Gurgaon and their parents are tested '+ve' being infected by Corona 19. I also witness that many of our parents are coming to the school with their wards. This is not required and safe. Therefore don't let the guard down now and throw the precautions into the winds.

“Be at home and Be safe” is the manthra for your children to abide by. Two things are now clear that reopening of schools will be only after 15th Aug 2020 and **No “ONLINE Classes”** should be conducted for Nursery to 7th Standard.

Our Online classes are going on smoothly for all the classes from 8th std and above.

We were preparing to start “Online classes” for Primary sections by forming WhatsApp groups. In the meantime the Govt has bombed it by barring. Therefore we suggest you a few Apps where in “Live videos and offline videos” of teaching all lessons for all subjects to all the classes from 3rd to 10th Std are available. For students from nursery to class 2 many activities are also available.

Nursery and Class 1 & 2:

YouTube Kids; pschools.in;

Jataka tales & Chinnara Loka channels in YouTube
